Claim No. 06003370

Dear Mr. Borders:

I am writing in response to your letter dated March 22, 2007, as well as your March 19, 2007 letter regarding the same matter. This letter incorporates and supplements United National's prior correspondence regarding this claim.

United National has communicated its coverage position to Interstate and the policyholder. United National disagrees with your suggestion that the policy is ambiguous, or that United National has waived any of its rights with respect to this claim. United National has specifically reserved all of its rights and waived none.

In addition, despite the fact that United National has disclaimed coverage, and there is no coverage under this policy for the claim, United National offered to contribute \$100,000 toward the settlement of the underlying claim. United National believes that this contribution exceeds its obligations under the policy, and is not willing to contribute the additional \$274,250 demanded in your letter.

Nothing in this letter is intended to be, nor should it be construed as, a waiver of any rights United National may have under the policy or applicable law. Please direct all further inquiries regarding this matter to Anita Fox at 517.377.0837 or afox@fraserlawfirm.com.

Very truly yours,

UNITED NATIONAL INSURANCE COMPANY
